I know that running a road race is potentially hazardous activity that could cause injury or death. I should not enter and run unless I am medically able and properly trained, and by my signature, I certify that I am medically able to perform this event, am in good health, and am properly trained. I agree to abide by any decision of a race official, relative to any aspect of my participation in this event, including the right of any official to deny or suspend me for any reason whatsoever. I assume all risks associated with running in this event including, but not limited to, falls, contact with other participants, the effects of weather, including high heat and/or humidity, traffic and the conditions of the road, potential of a train crossing the course at the intersection of Contreras and South Locust Streets, all such risks being known and appreciated by me. I understand that bicycles, skateboards, roller skates or blades, and animals are not allowed in the race and I will abide by this guideline. Having read this waiver and knowing the facts and in consideration of your accepting my entry, I, for myself, and anyone else acting on my behalf, waive and release and indemnify the Oxford ADI Running Club, City of Oxford, Oxford Township, Butler County, Miami University, Union County, Indiana, Oxford Visitors & Convention Bureau, the Race Coordinator plus all sponsors, their representatives and assignors from all claims or liabilities of any kind arising out of my participation in this event, even though that liability may arise out of negligence or carelessness on the part of the persons names in this waiver. I hereby grant full permission to use my name, picture, or likeness on any media or form and any other record of my participation in the above named race for any publicity and/or promotional purpose(s) without obligation to me, or successors, assigns, et al., or liability to the publisher or promoter. I understand that the race entry fee paid by or for me is not refundable unless entry is refused by the registrar.

In accordance with the guidelines set by the USAITF and the Road Runner's Club of America, you are strongly recommended to not use iPods or other audio devices during the events. Choosing to use an audio device will NOT result in disqualification, but you will compromise your safety and that of others by wearing a headset. If wearing an iPod or other audio device results in you being unable to hear verbal instructions, commands, approaching vehicles, or course markers on bicycles, you may be asked to relinquish the device and face disqualification. We ask that you take responsibility and use good judgment if you opt to wear an audio device.
